

Dear Patient,

We are pleased to announce that Buffalo Orthopaedic Group has joined Trinity Medical WNY, Catholic Health's growing physician practice network. Once complete, Buffalo Orthopaedic Group locations in Williamsville, Hamburg and Springville will be renamed Trinity Medical Orthopaedics. While this is an important step for our practice, it will be a seamless transition for our patients, who will continue to receive the same high quality orthopaedic care through our new alignment with Catholic Health.

Our practice has had longstanding affiliations with Kenmore Mercy Hospital and both Sisters of Charity Hospital and its St. Joseph Campus for many years. Coming together under the Catholic Health umbrella is a natural progression that will only strengthen the orthopaedic, podiatric, sports medicine and urgent care services we have been providing for more than 15 years. As part of the Trinity family, we will continue to offer a complete range of diagnostic and treatment services for orthopaedic fractures; trauma; sports injuries and joint pain; including knee, hip and shoulder replacement surgery, as well as podiatric care and surgery.

Along with our partners, orthopaedic surgeons Paul J. Lapoint, DO; John C. Karpie, MD; and Thaddeus E. Szarzanowicz, MD; podiatric surgeon Jessica L. Nowak, DPM; 10 advanced practice providers and the members of our administrative, clinical and support staff are also moving to Trinity Medical Orthopaedics to ensure continuity of care for our patients and their families. Along with signage and other similar changes, you will notice that billing and correspondence from our practice will now come from Trinity Medical Orthopaedics. Other than that, our office locations and contact numbers will remain the same, as follows:

Trinity Medical Orthopaedics Williamsville

192 Park Club Lane, Suite 100
Williamsville, NY 14221
(716) 204-1101

Trinity Medical Orthopaedics Hamburg

4901 Camp Road, Suite 100
Hamburg, NY 14075
(716) 204-1101

Trinity Medical Orthopaedics Springville

224 East Main Street
Springville, NY 14141
(716) 204-1101

With nationally recognized orthopaedic care, Catholic Health is home to the most advanced orthopaedic services available anywhere in the area. We are pleased to join Trinity Medical and continue to look forward to meeting your orthopaedic needs. As always, thank you for entrusting your care to our orthopedic team. If you have any questions, please call us at (716) 204-1101.

Sincerely,

Buffalo Orthopaedic Group
